

School culture program enrolment

The details of the school culture program are posted to the Institute website at

<https://www.yogamandir.com.au/program/school-culture-program>

The program begins with enrolment in unit 1 Abhyasa/ vairagya and unit 9 Pranayama. The cost is \$2,000 for enrolment in both units however as unit 9 is ongoing there is no further charge for this unit even though it is available each term (the content of the Pranayama unit will vary each term to enable ongoing practice and study). Each subsequent term involves enrolment in one unit only as noted in the schedule on the website (that is - \$1000 per term ongoing). The 8 units can be covered in 2 years.

Enrolment will allow up to 5 teachers to participate in the program. Above this number will incur an additional fee – see the website.

Professional development enrolment

As part of the school culture program it is proposed that teachers attend the 7 Day professional development program in Canberra. As noted on the website 4 attendances per teacher will enable all participants to study teaching Yogasana and view these principles as they are applied in the institute in Canberra. Enrolment in this program of professional development is conducted separately to the school culture enrolment. 2 teachers attending each term would deliver excellent opportunities for collegial exchange and working together (team building).

Please note – there are a number of changes to the program timetable in the coming years due to the therapy sessions run by Stephanie Quirk. Go to the professional development page to view the dates and these changes, and to book for the Professional Development program - <https://www.yogamandir.com.au/program/ongoing-development-qualified-teachers>

Provision for uncertificated teachers – in the event that one of the teachers is yet to achieve Introductory level 2 the following is available. Enrolment in weekend program (Friday to Sunday) with its focus on Yogasana plus attendance at the week 6 intensive 6.30-9.00am. Additional allocation to evening Yogasana classes throughout week 6 ending with Thursday evening as volunteer in the assessment teaching segments.

Enrolment process

Enrolment is by phone and with payment by credit card or by direct deposit to the Yoga Mandir account. At that time please email us a list of those participating along with the proposed schedule for enrolment in Professional development for the first year. These individuals will need to go to Yoga Mandir and create an identity and provide their details.

Once completed we will manually enrol your nominated individuals in the program and they will have access to all the material for the upcoming term through the Yoga Vidya gateway on the institute website. Early enrolment is advised and the material can be accessed from that time. At the end of each 10 week term access to the study material ceases automatically. Please note that our terms are aligned with the ACT school terms
